```

8) Click on 'Finish' to complete installation.

3 LICENSING YOUR *IBM SPSS STATISTICS* VERSION 25 SOFTWARE

1. SPSS Statistics 25 is licenced through the Licence Authorisation Wizard which can be opened in a number of ways.

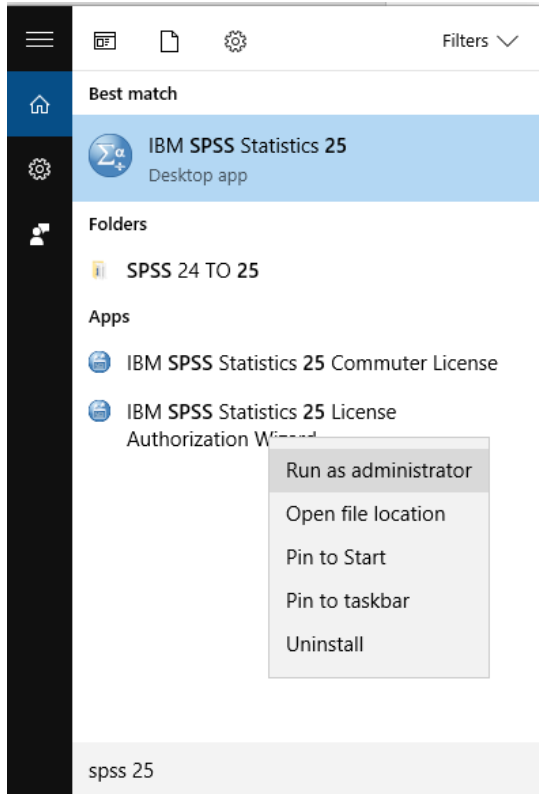

A.) If you chose to 'Start IBM SPSS Statistics 25 now' by ticking the box in the last step, you will get the screen below.

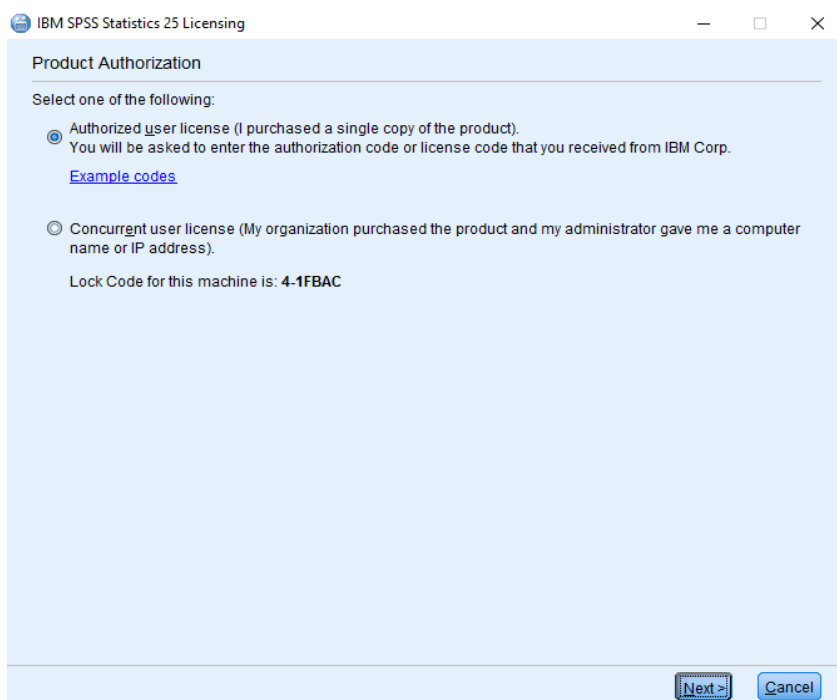

Please follow step 2 on part B below to license your product.

OR

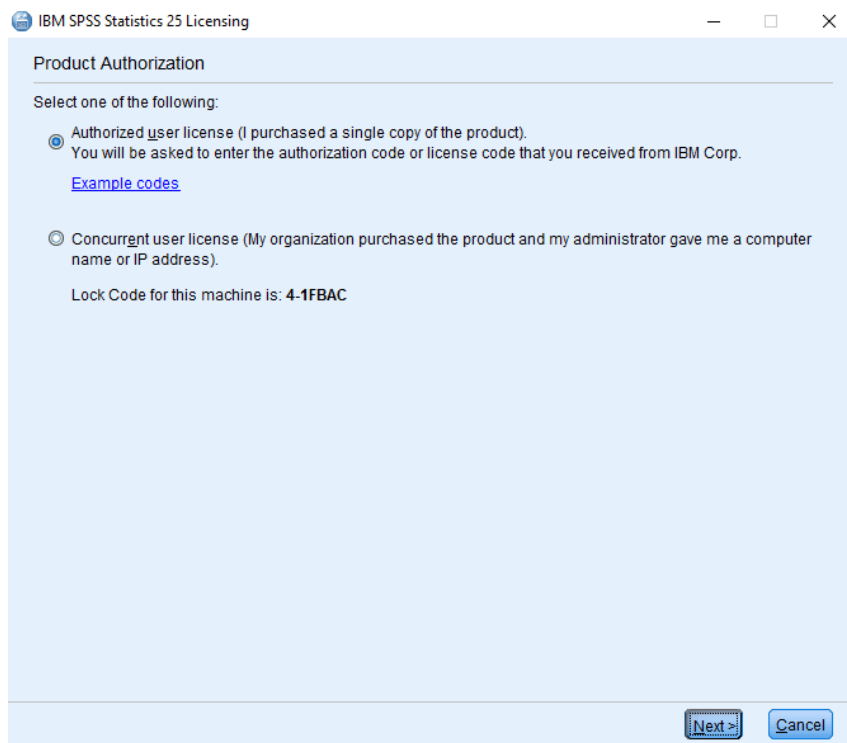

B.) You can open the Licence Authorisation Wizard by going to Start – All Programs - IBM SPSS Statistics – IBM SPSS Statistics 25 – Right click on IBM SPSS Statistics 25 Licence Authorisation Wizard and choose to ‘Run as Administrator’.

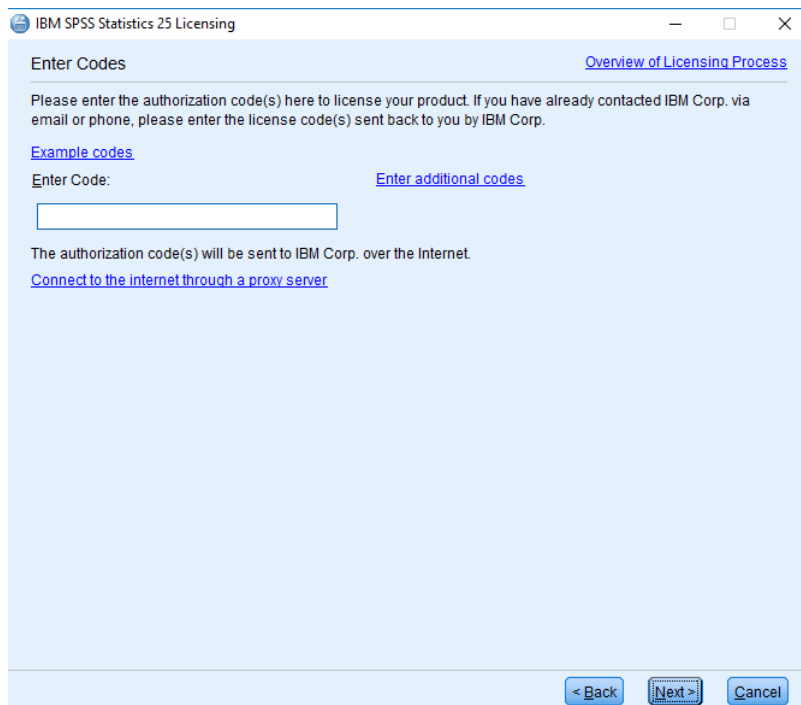

2. You will now be presented with this screen.

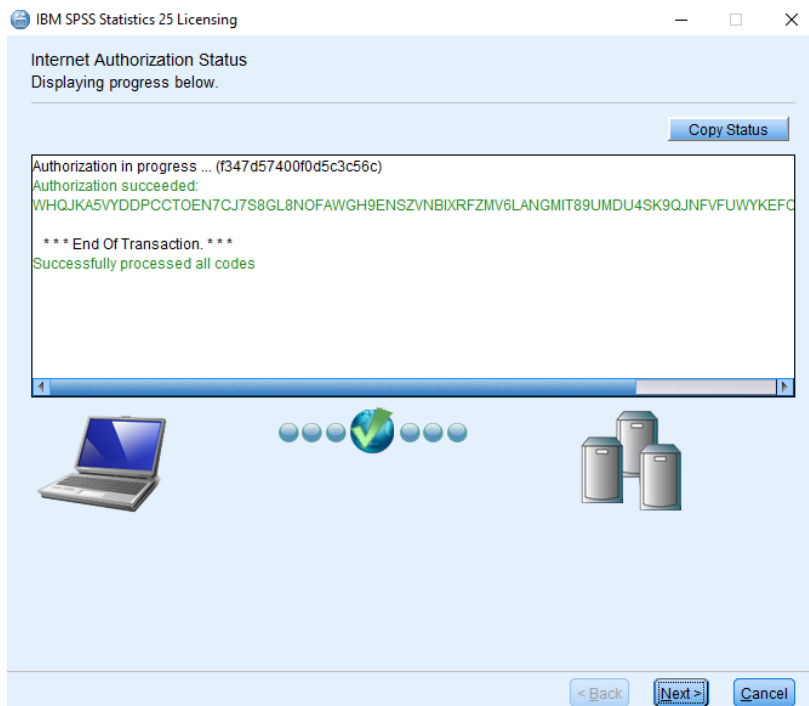

3. If you have a desktop Version of IBM SPSS Statistics 25 and you are licencing on your own machine and have access to both admin rights and your Authorisation Code, please choose 'Authorised User Licence' and 'Next'.

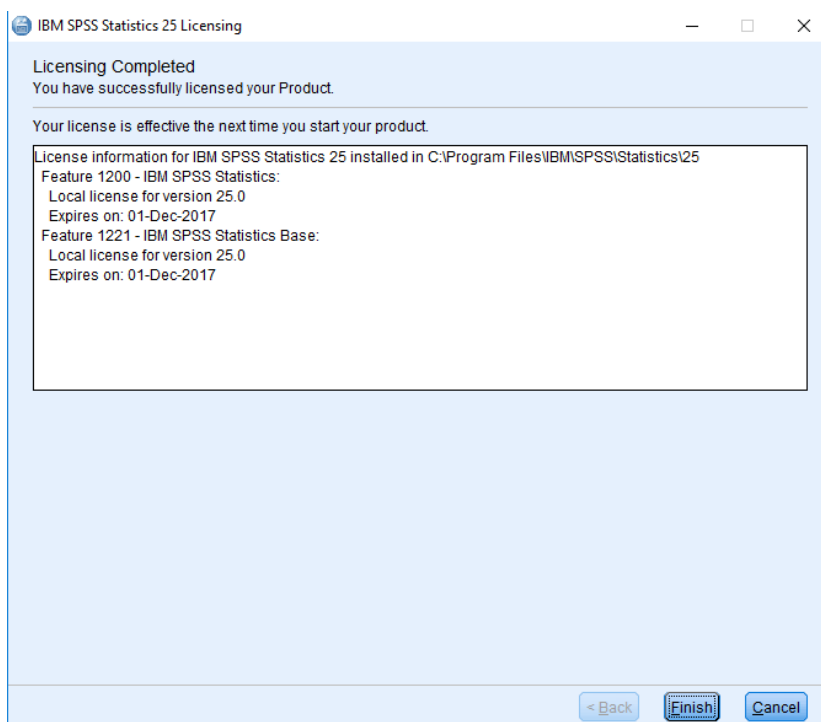

4. Please copy and paste your Authorisation Code into the space provided and click 'Next'.

5. If the licencing has been successful, you will see the screen below.

6. As the image below states, your IBM SPSS Statistics 25 will now be fully licenced when you open it next. You can click 'Finish' and restart your computer for the licencing to be fully activated.
